WEDDINGS IN SICILY

A wedding written in *stone & light*

An ancient hilltop masseria among olive groves and the
Mediterranean, given over entirely to your celebration.

THE ESTATE

Centuries of stone, restored for *a day like no other*

Set on a quiet rise among olive groves and dry-stone terraces, Masseria Agnello is a historic Sicilian farmstead restored by hand — local stone, chestnut beams, terracotta floors and wrought iron, exactly as they were.

From its courtyards and gardens the land falls away to the valley and, beyond it, the sea. It is a place of slow light and deep quiet — and, for one day, it is yours alone.

AT A GLANCE

A venue made *to be yours*

Every celebration is hosted in private. The estate adapts to you — from an intimate dinner to a grand reception.

CAPACITY

30–150
guests, seated

Exclusive use

The entire estate — buildings, gardens and pool — reserved solely for you and your guests.

In-house & external catering

Dine with our own kitchen, or bring the caterer of your choosing. The estate welcomes both.

Ten high-end rooms

For the couple and their closest guests to stay the night.

Panoramic pool

A quiet terrace and pool framed by the Sicilian hills.

IN-HOUSE CUISINE

A Sicilian table, *signed by the chef*

Our kitchen is led by chef **Domenico Benfante**, whose cooking draws on Sicilian produce, the estate's own olive oil and the rhythm of the season — refined, generous and unmistakably of this land.

Domenico Benfante EXECUTIVE CHEF

Prefer your own caterer? External catering is equally welcome.

STAY THE NIGHT

Ten rooms, *each its own*

Ten individually appointed rooms are set across the estate's stone buildings — beamed ceilings, warm linens, original tile and soft evening light. The couple and their closest guests wake exactly where they celebrated.

10

en-suite rooms

100%

on the estate

A SISTER ADDRESS

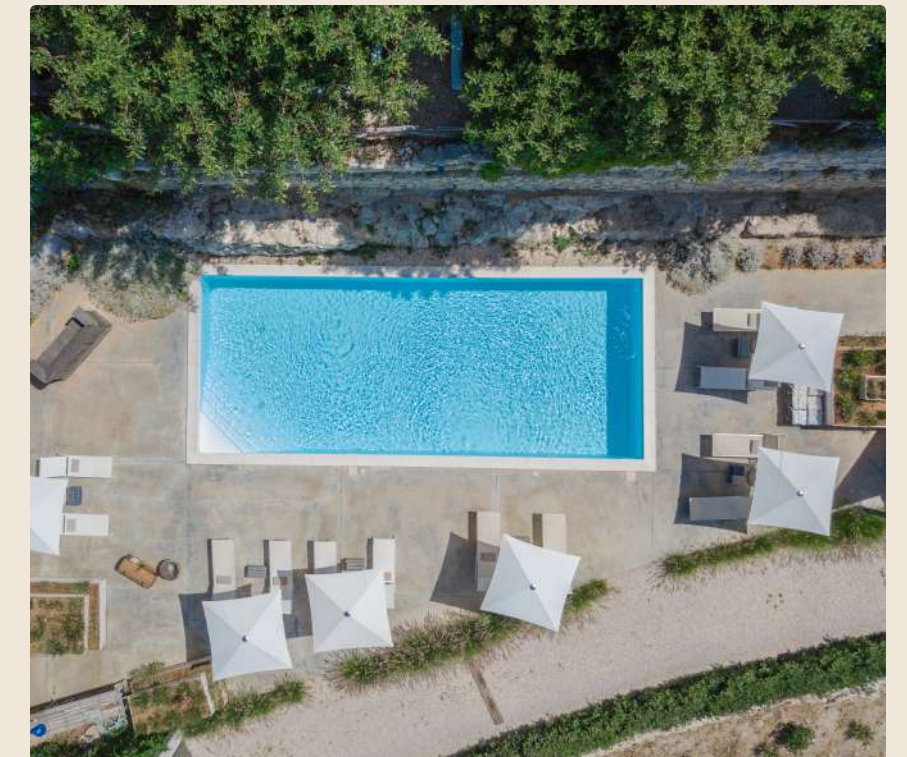

Cala Manbrù

Our beach club on the Sicilian coast, under the same ownership — the perfect setting to extend the celebration. Gather here for a welcome the evening before, or carry the party down to the sea the day after.
